FINANCIAL ASSISTANCE

Bridge Preparatory Academy offers financial aid based on documented family need. The priority deadline for students to apply for financial aid is April 1, 2024. Prior to applying for financial aid, an applicant must have completed the application process and been accepted to the school. At that time, a family may apply for financial aid and will be considered based on the information provided. Financial aid is applied to tuition only, and does not cover application, testing, or enrollment fees. The financial aid application can be accessed via our website.

Financial obligation to Bridge Prep is for the full year's tuition and payment of all fees. For more details, please see the Family Financial Agreement.
